

The School reserves the right to amend the Schedule of Fees from time to time. Any changes to the Schedule of Fees shall be communicated prior to the start of the Academic Year.

Successful admission and the continuity of a student's enrolment are only confirmed when all applicable fees\* are paid on time. This applies to both individuals and companies making payments. Parents are responsible for all payment-related matters. The school will not liaise with any third party.

\*New parents: registration fee, security deposit, tuition fee. Current parents: tuition fee

All Primary school students must take an admission assessment and meet the minimum standard to be accepted. For students requiring additional English support, this will be communicated/recommended in the letter of offer.
