

AFTER SCHOOL CO-CURRICULAR ACTIVITIES

PRIMARY

Year 1 - 6 3 pm to 4 pm

Dear Parents.

We would like to invite you to sign up for our After School Co-Curricular Activities (CCA) programme for academic year 2024-2025.

Our CCA programme is designed to focus on developing your child in different domains -Physical, Intellectual, Emotional, and Social (PIES). We believe that a well-rounded education goes beyond the classroom, and our CCA programme aims to provide students with opportunities to explore their interests, build new skills and develop their personalities.

Please note that not all activities are available to all year groups. Therefore, we urge you to carefully read the CCA schedule. These activities will be held at Anne Hill International School, and the fees are applicable to AHI students only.

For any clarifications or concerns, please do not hesitate to contact our CCA coordinator at CCA@annehill.school.

Program Dates: 13 January 2025 – 12 June 2025 (for two terms)

Registration Link: Primary's CCA (Open on Tuesday, 2 December 2024)

Registration Deadline: Sunday, 15 December 2024

Please discuss the options with your child(ren) before registering. Changes cannot be made after submission to ensure effective class planning.

We look forward to your active participation and support in our CCA programme. Thank you for your cooperation.

Sincerely,

CCA Team,

Anne Hill International School

After School Co-Curricular Activities Fee

	FULL WEEK PACKAGE	DAILY PACKAGE		
CCA	28,350,000 VND/semester (5 days/week)	7,350,000 VND/semester (1 day/week)		
AFTER SCHOOL CARE	200,000 VND/per hour			

Note:

- 1) For After School Care:
- Individual After School Care service is available from 3pm-5pm, this needs to be booked in advance, at 24-hour notice.
- For 5pm 6pm After School Care, one-week advance booking is required.
- 2) Parents who wish to use the school bus service need to register for CCA or After School Care service.
- 3) One semester consists of two terms. However, payment is required on a per semester basis, rather than per term.

General Terms & Conditions applied:

- 1. CCAs are fee-paying activities (non-refundable), on a first come, first served basis.
- 2. Confirmation of activities is subjected to student enrolment.
- 3. Students must commit to the same CCA activities for at least one semester.
- 4. Please note that to ensure effective class planning, changes to CCA activities/subjects cannot be made after submission.
- 5. Outdoor activities are subjected to weather conditions.
- 6. In the event of inclement weather conditions preventing outdoor activities, alternative activities will be carried out by the instructors and trainers.
- 7. Payments for the CCA are to be settled prior to the commencement of the programme to confirm your participation.

Please do not hesitate to contact us via email at CCA@annehill.school if you have any questions.

ACTIVITY	YEAR GROUP	CAPACITY	ACTIVITY DESCRIPTION
1. Football (Group 1)	Year 1-2	14 students	Provides an exciting opportunity for young athlete students to develop their football skills and teamwork abilities. Through fun and engaging exercises, athlete students will learn the fundamentals of football, including passing, catching, dribbling, and shooting. They will also learn about the importance of communication, fair play and sportsmanship.
2. Football (Group 2)	Year 1-2	14 students	Provides an exciting opportunity for young athlete students to develop their football skills and teamwork abilities. Through fun and engaging exercises, athlete students will learn the fundamentals of football, including passing, catching, dribbling, and shooting. They will also learn about the importance of communication, fair play and sportsmanship.
3. True True Robot Coding	Mixed age group	10 students	Truetrue Robotics Coding aims to cultivate students' curiosity, creativity, and problem-solving skills while providing them with practical experience in robotics and coding. Through hands-on activities, collaborative projects, and robotics challenges, students develop the skills and confidence to become the innovators and engineers of tomorrow.
4. STEAM	Year 6-7	16 students	The STEAM programme provides students with interdisciplinary learning experiences that integrate science, technology, engineering, arts, and mathematics. Through hands-on activities, collaborative projects, and real-world applications, STEAM education nurtures creativity, critical thinking, problem-solving, and innovation, preparing students for success in the 21st century.

ACTIVITY	YEAR GROUP	CAPACITY	ACTIVITY DESCRIPTION
5. Chess	Year 1-2	16 students	Provides a fun and engaging opportunity for young learners to develop critical thinking skills and improve their cognitive abilities. Students will learn the fundamentals of chess, including the rules, basic strategies, and tactics. They will also develop their problem-solving and decision-making skills by analyzing different game scenarios and making calculated moves.
6. Sports Fun	Year 3-4-5	14 students	Provides an engaging opportunity for athletes to explore a variety of sports and games and develop their coordination and teamwork skills. In addition, students will participate in team-building activities and learn about the importance of communication, sportsmanship, and fair play.
7. Basketball	Year 1-2	12 students	Get ready to dribble, shoot, and score in a fun and supportive environment. Learn the fundamentals of the game, improve your teamwork, and enjoy the thrill of friendly competition.
8. Little Chef (for new students only)	Year 3-4-5	12 students	Provides hands-on opportunity for students to explore the world of cooking and develop their culinary skills. Through interactive lessons and fun cooking activities, students will learn about basic cooking techniques, kitchen safety, and nutrition. They will also explore different ingredients and flavor while creating a variety of delicious dishes from scratch. In addition, students will learn about the meal planning and presentation, and how to work collaboratively with their classmates to create a full-course meal. Students will gain valuable cooking skills, a better understanding of healthy eating habits, and a love for cooking that will last lifetime.

ACTIVITY	YEAR GROUP	CAPACITY	ACTIVITY DESCRIPTION
9. Music & Dance	Year 1-2-3	16 students	Provides an exciting and engaging opportunity for young learners to explore the world of music and dance. Students will learn about different musical styles and genres, including pop, rock and classical. They will also develop their musical and dance skills, including rhythm, timing, and coordination, through a variety of exercises and practice sessions. In addition, students will have the opportunity to work collaboratively with others, and gain confidence in their own abilities.
10. After-School Care: 3-4pm 4-5pm (Advance Notice Required)t	Mixed age group	18 students	After-School Care class ensures that students have a structured and supportive environment in which to spend their after school hours, giving parents peace of mind and students an engaging way to spend their free time. Students will have the opportunity to work on homework, participate in activities assigned, or/and engage in physical activities, all while under the supervision of trained and caring staff. After School Care charge applies.

ACTIVITY	YEAR GROUP	CAPACITY	ACTIVITY DESCRIPTION
1. Football (Group 1)	Year 1-2	14 students	Provides an exciting opportunity for young athlete students to develop their football skills and teamwork abilities. Through fun and engaging exercises, athlete students will learn the fundamentals of football, including passing, catching, dribbling, and shooting. They will also learn about the importance of communication, fair play and sportsmanship.
2. Football (Group 2)	Year 1-2	14 students	Provides an exciting opportunity for young athlete students to develop their football skills and teamwork abilities. Through fun and engaging exercises, athlete students will learn the fundamentals of football, including passing, catching, dribbling, and shooting.
