SCHEDULE OF FEES ACADEMIC YEAR 2025-2026

GETTING STARTED: ENROLMENT & SCHOOL FEES

We are delighted to welcome both new and returning families to our school community.

For **current students**, placement for the following academic year is secured by completing the enrolment registration form-typically sent between December and February of the current academic year-and by paying the annual tuition fee or Instalment 1 by the stated deadline. For **new students**, placement is confirmed upon payment of the security deposit once admission is offered, followed by tuition payment within 14 days. In the unlikely event that no space is available after payment, the deposit will be fully refunded.

Please note that parents/guardians remain the primary point of contact for all financial matters. This applies to both individual families and companies managing payments on their behalf. All fees are listed in Vietnamese Dong (VND). The school reserves the right to update the Schedule of Fees from time to time.
